**PROVISIONS FOR DEFINING, LIMITING  
AND REGULATING CERTAIN POWERS OF THE  
CORPORATION AND OF THE STOCKHOLDERS AND DIRECTORS**

Section 5.1 Number of Directors. The business and affairs of the Corporation shall be managed under the direction of the Board of Directors. The number of directors of the Corporation is seven (7), which number may

be increased or decreased only by the Board of Directors pursuant to the Bylaws of the Corporation (the “Bylaws”), but shall never be less than the minimum number required by the Maryland General Corporation Law (the “MGCL”). The names of the directors who shall serve until the first annual meeting of stockholders and until their successors are duly elected and qualify are:

Richard B. Saltzman  
Catherine D. Rice  
Vernon B. Schwartz  
Darren J. Tangen  
Kevin P. Traenkle  
John Westerfield  
Winston W. Wilson

The Corporation elects, effective at such time as it becomes eligible under Section 3-802 of the MGCL to make the election provided for under Section 3-804(c) of the MGCL, that, except as may be provided by the Board of Directors in setting the terms of any class or series of stock, any and all vacancies on the Board of Directors may be filled only by the affirmative vote of a majority of the remaining directors in office, even if the remaining directors do not constitute a quorum, and any director elected to fill a vacancy shall serve for the remainder of the full term of the directorship in which such vacancy occurred and until his or her successor is duly elected and qualifies.

Section 5.2 Extraordinary Actions. Except as specifically provided in Section 5.8 and Article VIII, notwithstanding any provision of law permitting or requiring any action to be taken or approved by the affirmative vote of stockholders entitled to cast a greater number of votes, any such action shall be effective and valid if declared advisable by the Board of Directors and taken or approved by the affirmative vote of stockholders entitled to cast a majority of all the votes entitled to be cast on the matter.

Section 5.3 Authorization by Board of Stock Issuance. The Board of Directors may authorize the issuance from time to time of shares of stock of the Corporation of any class or series, whether now or hereafter authorized, or securities or rights convertible into shares of its stock of any class or series, whether now or hereafter authorized, for such consideration as the Board of Directors may deem advisable (or without consideration in the case of a stock split or stock dividend), subject to such restrictions or limitations, if any, as may be set forth in the Charter or the Bylaws.

Section 5.4 Preemptive Rights. Except as may be provided by the Board of Directors in setting the terms of classified or reclassified shares of stock of the Corporation pursuant to Section 6.4 or as may otherwise be provided by a contract approved by the Board of Directors, no holder of shares of stock of the Corporation shall, as such holder, have any preemptive right to purchase or subscribe for any additional shares of stock of the Corporation or any other security of the Corporation which it may issue or sell.

Section 5.5 Indemnification. (a) The Corporation shall, to the maximum extent permitted by Maryland law in effect from time to time, indemnify and, without requiring a preliminary determination of the ultimate entitlement to indemnification, pay or reimburse reasonable expenses in advance of final disposition of a proceeding to, (i) any individual who is a present or former director or officer of the Corporation and who is made, or threatened to be made, a party to, or witness in, the proceeding by reason of his or her service in that capacity or (ii) any individual who, while a director or officer of the Corporation and at the request of the Corporation, serves or has served as a director, officer, trustee, member, manager, employee, partner or agent of another corporation, real estate investment trust, limited liability company, partnership, joint venture, trust, employee benefit plan or any other enterprise and who is made or threatened to be made a party to, or witness in, the proceeding by reason of his or her service in that capacity. The rights to indemnification and advancement of expenses provided by the Charter shall vest immediately upon election of a director or officer. The Corporation shall provide such indemnification and advancement of expenses to an individual who served a predecessor of the Corporation in any of the capacities described in (i) or (ii) above and shall have the power, with the approval of the Board of Directors, to provide the same (or lesser) indemnification and advancement of expenses to any employee or agent of the Corporation or a predecessor of the

Corporation. Any amendment of this Section 5.5(a) shall be prospective only and shall not affect the applicability of this section with respect to any act or failure to act that occurred prior to such amendment.

(b) The indemnification provided herein shall not be deemed to limit the right of the Corporation to indemnify any other person for any such expenses to the fullest extent permitted by law, nor shall it be deemed exclusive of any other rights to which any person seeking indemnification from the Corporation may be entitled under the Bylaws, any agreement, resolution of stockholders or directors, or otherwise, both as to action in such person's official capacity and as to action in another capacity while holding such office.

Section 5.6 Determinations by Board. The determination as to any of the following matters, made by or pursuant to the direction of the Board of Directors, shall be final and conclusive and shall be binding upon the Corporation and every holder of shares of its stock: the amount of the net income of the Corporation for any period and the amount of assets at any time legally available for the payment of dividends, acquisition of its stock or the payment of other distributions on its stock; the amount of paid-in surplus, net assets, other surplus, cash flow, funds from operations, adjusted funds from operations, net profit, net assets in excess of capital, undivided profits or excess of profits over losses on sales of assets; the amount, purpose, time of creation, increase or decrease, alteration or cancellation of any reserves or charges and the propriety thereof (whether or not any obligation or liability for which such reserves or charges shall have been created shall have been set aside, paid or discharged); any interpretation or resolution of any ambiguity with respect to any provision of the Charter (including any of the terms, preferences, conversion or other rights, voting powers or rights, restrictions, limitations as to dividends or other distributions, qualifications or terms or conditions of redemption of any shares of any class or series of stock of the Corporation) or of the Bylaws; the number of shares of stock of any class or series of the Corporation; the fair value, or any sale, bid or asked price to be applied in determining the fair value, of any asset owned or held by the Corporation or of any shares of stock of the Corporation; any matter relating to the acquisition, holding and disposition of any assets by the Corporation; any interpretation of the terms and conditions of one or more agreements with any person, corporation, association, company, trust, partnership (limited or general) or other entity; the compensation of directors, officers, employees or agents of the Corporation; or any other matter relating to the business and affairs of the Corporation or required or permitted by applicable law, the Charter or Bylaws or otherwise to be determined by the Board of Directors.

Section 5.7 REIT Qualification. The Board of Directors shall have the authority to cause the Corporation to elect to qualify for U.S. federal income tax treatment as a REIT. If the Corporation elects to qualify for federal income tax treatment as a REIT, the Corporation shall use its reasonable best efforts to take such actions as are necessary or appropriate to preserve the status of the Corporation as a REIT; however, if the Board of Directors determines that it is no longer in the best interests of the Corporation to attempt to, or continue to, qualify as a REIT, the Board of Directors may revoke or otherwise terminate the Corporation's REIT election pursuant to Section 856(g) of the Code. The Board of Directors, in its sole and absolute discretion, also may (a) determine that compliance with any restriction or limitation on stock ownership and transfers set forth in Article VII is no longer required for REIT qualification and (b) make any other determination or take any other action pursuant to Article VII.

Section 5.8 Removal of Directors. Subject to the rights of holders of shares of one or more classes or series of Preferred Stock (as defined below) to elect or remove one or more directors, any director, or the entire Board of Directors, may be removed from office at any time, but only for cause and then only by the affirmative vote of at least two-thirds of the votes entitled to be cast generally in the election of directors. For the purpose of this paragraph, "cause" shall mean, with respect to any particular director, conviction of a felony or a final judgment of a court of competent jurisdiction holding that such director caused demonstrable, material harm to the Corporation through bad faith or active and deliberate dishonesty.

#### Section 5.9 Corporate Opportunities.

Section 5.9.1. Definitions: For the purpose of this Section 5.9, the following terms shall have the following meanings:

Affiliate. The term “Affiliate” shall mean, when used with respect to a Person, any Person that, directly or indirectly, controls or is controlled by or is under common control with such Person and any principal, member, director, partner, shareholder, officer, employee or other representative of the foregoing (other than the Corporation and any Person that is controlled by the Corporation). For the purposes of this definition, “control” (including the correlative meanings of the terms “controlled by” and “under common control with”), as used with respect to any Person, shall mean the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of such Person, through the ownership of voting securities or partnership interests, contract or otherwise.

Person. The term “Person” shall mean any natural person, corporation, limited liability company, trust, joint venture, association, company, partnership, governmental authority or other entity.

Sponsor Affiliates. The term “Sponsor Affiliates” shall mean CLNC Manager, LLC and its Affiliates.

Section 5.9.2 Corporate Opportunities. (a) The Corporation recognizes that it will derive benefits from its continued contractual, corporate and business relationships with the Sponsor Affiliates and that (i) certain directors, principals, officers, employees or other representatives of the Sponsor Affiliates may serve as directors or officers of the Corporation, its subsidiaries or entities that provide investment advisory services to the Corporation or its subsidiaries or as a member of the investment committee of any such entity, (ii) the Sponsor Affiliates may now engage and may continue to engage in the same or similar activities or related lines of business as those in which the Corporation, directly or indirectly, may engage and other business activities that overlap with or compete with those in which the Corporation or its subsidiaries, directly or indirectly, may engage, and (iii) members of the Board of Directors and their respective Affiliates may now engage and may continue to engage in the same or similar activities or related lines of business as those in which the Corporation, directly or indirectly, may engage and other business activities that overlap with or compete with those in which the Corporation or its subsidiaries, directly or indirectly, may engage.

(b) To the fullest extent permitted by law, except to the extent limited in any agreement with any Sponsor Affiliate, none of the Sponsor Affiliates (including those serving as directors or officers of the Corporation) or any of their respective Affiliates (any such Person, an “Identified Person”) shall have any duty to refrain from directly or indirectly:

(i) engaging in any business opportunity, including but not limited to business opportunities in the same or similar business activities or lines of business in which the Corporation or any of its Affiliates may, from time to time, be engaged or propose to engage (a “Business Opportunity”); or

(ii) competing with the Corporation, and to the fullest extent permitted by law, no Identified Person shall be liable to the Corporation or its stockholders or creditors for breach of any duty (statutory, contractual or otherwise (other than for breach by an Identified Person of any express restrictions on competition contained in any written contract between such Identified Person and the Corporation)) by reason of the fact that such Identified Person engages in any such activities, and, except as provided in subsection (c) of this Section 5.9.2, the doctrine of corporate opportunity or any similar doctrine applicable to the Corporation shall not apply to any Identified Person. To the fullest extent permitted by law, the Corporation hereby renounces any interest or expectancy in, or in being offered an opportunity to participate in, any Business Opportunity presented to an Identified Person, except as provided in subsection (c) of this Section 5.9.2. Subject to subsection (c) of this Section 5.9.2, in the event that any Identified Person acquires knowledge of a Business Opportunity, such Identified Person shall have no duty to communicate or offer such Business Opportunity to the Corporation or any of its

Affiliates and, to the fullest extent permitted by law, shall not be liable to the Corporation or its stockholders or creditors for breach of any duty (statutory, contractual or otherwise) as a stockholder, director or officer of the Corporation by reason of the fact that such Identified Person pursues or acquires such Business Opportunity for itself, directs such Business Opportunity to another Person, or does not present such opportunity to the Corporation or its subsidiaries or stockholders. A Business Opportunity shall not be deemed to be a potential Business Opportunity for the Corporation if it is a Business Opportunity that the Corporation is not financially able or contractually permitted or legally able to undertake, or that is, from its nature, not in line with the Corporation's business or is of no practical advantage to it or that is one in which the Corporation has no reasonable expectancy.

(c) The Corporation does not renounce its interest in any Business Opportunity offered to any director or officer of the Corporation if such opportunity is expressly offered to such Person in his or her capacity as a director or officer of the Corporation.

Section 5.10 Appraisal Rights. Holders of shares of stock shall not be entitled to exercise any rights of an objecting stockholder provided for under Title 3, Subtitle 2 of the MGCL or any successor statute unless the Board of Directors, upon such terms and conditions as specified by the Board of Directors, shall determine that such rights apply, with respect to all or any shares of all or any classes or series of stock, to one or more transactions occurring after the date of such determination in connection with which holders of such shares would otherwise be entitled to exercise such rights.

Section 5.11 Advisor Agreements. Subject to such approval of stockholders and other conditions, if any, as may be required by any applicable statute, rule or regulation, the Board of Directors may authorize the execution and performance by the Corporation of one or more agreements with any person, corporation, association, company, trust, partnership (limited or general) or other organization whereby, subject to the supervision and control of the Board of Directors, any such other person, corporation, association, company, trust, partnership (limited or general) or other organization shall render or make available to the Corporation managerial, investment, advisory and/or related services, office space and other services and facilities (including, if deemed advisable by the Board of Directors, the management or supervision of the investments of the Corporation) upon such terms and conditions as may be provided in such agreement or agreements (including, if deemed fair and equitable by the Board of Directors, the compensation payable thereunder by the Corporation).

## ARTICLE VI

### STOCK

Section 6.1 Authorized Shares. The Corporation has authority to issue 1,000,000,000 shares of stock, consisting of 905,000,000 shares of Class A Common Stock, \$0.01 par value per share ("Class A Common Stock"), 45,000,000 shares of Class B-3 Common Stock, \$0.01 par value per share ("Class B-3 Common Stock") (Class A Common Stock and Class B-3 Common Stock, collectively, the "Common Stock"), and 50,000,000 shares of Preferred Stock, \$0.01 par value per share ("Preferred Stock"). The aggregate par value of all authorized shares of stock having par value is \$10,000,000. If shares of one class of stock are classified or reclassified into shares of another class of stock pursuant to Section 6.2, 6.3 or 6.4 of this Article VI, the number of authorized shares of the former class shall automatically be decreased and the number of shares of the latter class shall automatically be increased, in each case by the number of shares so classified or reclassified, so that the aggregate number of shares of stock of all classes that the Corporation has authority to issue shall not be more than the total number of shares of stock set forth in the first sentence of this paragraph. The Board of Directors, with the approval of a majority of the entire Board of Directors, and without any action by the stockholders of the Corporation, may amend the Charter from time to time to increase or decrease the aggregate number of shares of stock or the number of shares of stock of any class or series that the Corporation has authority to issue.

Section 6.2 Common Stock. Subject to the provisions of Article VII and except as may otherwise be specified in the Charter, each share of Common Stock shall entitle the holder thereof to one vote. The Board of

Directors may reclassify any unissued shares of Common Stock from time to time into one or more classes or series of stock.

Section 6.2.1 Dividends and other Distributions. The Board of Directors may from time to time authorize and the Corporation shall declare to the holders of Common Stock such dividends or other distributions in cash or other assets of the Corporation or in securities of the Corporation or from any other source as the Board of Directors in its discretion shall determine, but only out of funds legally available therefor. The exercise of the powers and rights of the Board of Directors pursuant to this Section 6.2.1 shall be subject to the preferences of any class or series of stock at the time outstanding.

Section 6.2.2 Liquidation Rights. In the event of any voluntary or involuntary liquidation, dissolution or winding up of, or any distribution of the assets of, the Corporation, the holders of Common Stock shall be entitled to participate, together with the holders of shares of any other class or series of stock now existing or hereafter classified or reclassified having parity rights to the Common Stock as to distributions in the liquidation, dissolution or winding up of the Corporation, in the distribution of any assets of the Corporation remaining after the Corporation shall have paid, or provided for payment of, all debts and liabilities of the Corporation and after the Corporation shall have paid, or set aside for payment, to the holders of any class or series of stock having preferences over the Common Stock as to distributions in the event of dissolution, liquidation or winding up of the Corporation.

Section 6.2.3 Equal Status. Except as expressly provided in this Article VI, all Common Stock shall have the same rights, privileges and limitations and rank equally, share ratably and be identical in all respects as to all matters.

Section 6.2.4 Conversion. The Class A Common Stock is not convertible into or exchangeable for any other property or securities of the Corporation. Each issued and outstanding share of Class B-3 Common Stock shall, automatically and without any action on the part of the holder thereof, convert into one (1) share of Class A Common Stock upon the close of trading on the date that is the one (1) year anniversary of the listing of the Class A Common Stock on a national securities exchange (the "Listing Date"). Each unissued share of Class B-3 Common Stock shall automatically be reclassified as one (1) share of Class A Common Stock at the close of trading on the one (1) year anniversary of the Listing Date.

Section 6.3 Preferred Stock. The Board of Directors may classify any unissued shares of Preferred Stock and reclassify any previously classified but unissued shares of Preferred Stock of any class or series from time to time, into one or more classes or series of stock.

Section 6.4 Classified or Reclassified Shares. Prior to the issuance of classified or reclassified shares of any class or series of stock, the Board of Directors by resolution shall: (a) designate that class or series to distinguish it from all other classes and series of stock of the Corporation; (b) specify the number of shares to be included in the class or series; (c) set or change, subject to the provisions of Article VII and subject to the express terms of any class or series of stock of the Corporation outstanding at the time, the preferences, conversion or other rights, voting powers, restrictions, limitations as to dividends or other distributions, qualifications and terms and conditions of redemption for each class or series; and (d) cause the Corporation to file articles supplementary with the State Department of Assessments and Taxation of Maryland (the "SDAT"). Any of the terms of any class or series of stock set or changed pursuant to clause (c) of this Section 6.4 may be made dependent upon facts or events ascertainable outside the Charter (including determinations by the Board of Directors or other facts or events within the control of the Corporation) and may vary among holders thereof; provided that the manner in which such facts, events or variations shall operate upon the terms of such class or series of stock is clearly and expressly set forth in the articles supplementary or other Charter document filed with the SDAT.

Section 6.5 Stockholders' Consent in Lieu of Meeting. Any action required or permitted to be taken at any meeting of the holders of Common Stock entitled to vote generally in the election of directors may be taken without a meeting by consent, in writing or by electronic transmission, in any manner and by any vote permitted by the MGCL and set forth in the Bylaws.

Section 6.6 Charter and Bylaws. The rights of all stockholders and the terms of all stock of the Corporation are subject to the provisions of the Charter and the Bylaws.

Section 6.7 Distributions. The Board of Directors from time to time may authorize the Corporation to declare and pay to stockholders such dividends or other distributions in cash or other assets of the Corporation or in securities of the Corporation, including in shares of one class or series of the Corporation's stock payable to holders of shares of another class or series of stock of the Corporation, or from any other source as the Board of Directors in its sole and absolute discretion shall determine. The exercise of the powers and rights of the Board of Directors pursuant to this Section 6.7 shall be subject to the provisions of any class or series of shares of the Corporation's stock at the time outstanding.

Section 6.8 Transferable Shares. Notwithstanding any other provision in the Charter, no determination shall be made by the Board of Directors nor shall any transaction be entered into by the Corporation that would cause any shares or other beneficial interest in the Corporation not to constitute "transferable shares" or "transferable certificates of beneficial interest" under Section 856(a)(2) of the Code.

Section 6.9 Tax on Disqualified Organizations. To the extent that the Corporation incurs any tax pursuant to Section 860E(e)(6) of the Code as the result of any "excess inclusion" income (within the meaning of Section 860E of the Code) of the Corporation being allocated to a "disqualified organization" (as defined in Section 860E(e)(5) of the Code) that holds Common Stock or Preferred Stock in record name, the Corporation shall reduce the distributions payable to any such "disqualified organization" whose ownership of Common Stock or Preferred Stock caused such tax to be incurred by an amount equal to such tax, in the manner described in Treasury Regulations Section 1.860E-2(b)(4).

The terms “Transferring” and “Transferred” shall have the correlative meanings.

Trust. The term “Trust” shall mean any trust provided for in Section 7.3.1.

## Section 7.2 Capital Stock.

Section 7.2.1 Ownership Limitations. During the period commencing on the Initial Date and prior to the Restriction Termination Date, but subject to Section 7.4:

### (a) Basic Restrictions.

(i) (1) No Person, other than an Excepted Holder, shall Beneficially Own or Constructively Own shares of Capital Stock in excess of the Aggregate Stock Ownership Limit, (2) no Person, other than an Excepted Holder, shall Beneficially Own or Constructively Own shares of Common Stock in excess of the Common Stock Ownership Limit and (3) no Excepted Holder shall Beneficially Own or Constructively Own shares of Capital Stock in excess of the Excepted Holder Limit for such Excepted Holder.

(ii) No Person shall Beneficially Own or Constructively Own shares of Capital Stock to the extent that (1) such Beneficial Ownership or Constructive Ownership of Capital Stock would result in the Corporation being “closely held” within the meaning of Section 856(h) of the Code (without regard to whether the ownership interest is held during the last half of a taxable year), (2) such Beneficial Ownership or Constructive Ownership of Capital Stock would result in the Corporation owning (directly or Constructively) an interest in a tenant that is described in Section 856(d)(2)(B) of the Code if the income derived by the Corporation (either directly or indirectly through one or more partnerships or limited liability companies) from such tenant for the taxable year of the Corporation during which such determination is being made would reasonably be expected to equal or exceed the lesser of (A) one percent (1%) of the Corporation’s gross income (as determined for purposes of Section 856(c) of the Code), or (B) an amount that would (or, in the sole judgment of the Board of Directors, could) cause the Corporation to fail to satisfy any of the gross income requirements of Section 856(c) of the Code, or (3) such Beneficial Ownership or Constructive Ownership of Capital Stock would result in the Corporation otherwise failing to qualify as a REIT.

(iii) Any Transfer of shares of Capital Stock that, if effective, would result in the Capital Stock being beneficially owned by fewer than 100 Persons (determined under the principles of Section 856(a)(5) of the Code) shall be void ab initio, and the intended transferee shall acquire no rights in such shares of Capital Stock.

(b) Transfer in Trust. If any Transfer of shares of Capital Stock occurs which, if effective, would result in any Person Beneficially Owning or Constructively Owning shares of Capital Stock in violation of Section 7.2.1(a)(i) or (ii),

(i) then that number of shares of the Capital Stock the Beneficial Ownership or Constructive Ownership of which otherwise would cause such Person to violate Section 7.2.1(a)(i) or (ii) (rounded up to the nearest whole share) shall be automatically transferred to a Trust for the benefit of a Charitable Beneficiary, as described in Section 7.3, effective as of the close of business on the Business Day prior to the date of such Transfer, and such Person shall acquire no rights in such shares of Capital Stock; or

(ii) if the transfer to the Trust described in clause (i) of this sentence would not be effective for any reason to prevent the violation of Section 7.2.1(a)(i) or (ii), then the Transfer of that number of shares of Capital Stock that otherwise would cause any Person to violate Section 7.2.1(a)(i) or (ii) shall be void ab initio, and the intended transferee shall acquire no rights in such shares of Capital Stock.

(iii) To the extent that, upon a transfer of shares of Capital Stock pursuant to this Section 7.2.1(b), a violation of any provision of this Article VII would nonetheless be continuing (for example where the ownership of shares of Capital Stock by a single Trust would violate the 100 stockholder requirement applicable to REITs), then shares of Capital Stock shall be transferred to that number of Trusts, each having a distinct Trustee and a Charitable Beneficiary or Beneficiaries that are distinct from those of each other Trust, such that there is no violation of any provision of this Article VII.

Section 7.2.2 Remedies for Breach. If the Board of Directors shall at any time determine that a Transfer or other event has taken place that results in a violation of Section 7.2.1 or that a Person intends to acquire or has attempted to acquire Beneficial Ownership or Constructive Ownership of any shares of Capital Stock in violation of Section 7.2.1 (whether or not such violation is intended), the Board of Directors shall take such action as it deems advisable to refuse to give effect to or to prevent such Transfer or other event, including, without limitation, causing the Corporation to redeem shares of Capital Stock, refusing to give effect to such Transfer on the books of the Corporation or instituting proceedings to enjoin such Transfer or other event; provided, however, that any Transfer or attempted Transfer or other event in violation of Section 7.2.1 shall automatically result in the transfer to the Trust described above, and, where applicable, such Transfer (or other event) shall be void ab initio as provided above irrespective of any action (or non-action) by the Board of Directors.

Section 7.2.3 Notice of Restricted Transfer. Any Person who acquires or attempts or intends to acquire Beneficial Ownership or Constructive Ownership of shares of Capital Stock that will or may violate Section 7.2.1(a), or any Person who would have owned shares of Capital Stock that resulted in a transfer to the Trust pursuant to the provisions of Section 7.2.1(b), shall immediately give written notice to the Corporation of such event or, in the case of such a proposed or attempted transaction, shall give at least fifteen (15) days prior written notice, and shall provide to the Corporation such other information as the Corporation may request in order to determine the effect, if any, of such Transfer on the Corporation's status as a REIT.

Section 7.2.4 Owners Required To Provide Information. From the Initial Date and prior to the Restriction Termination Date:

(a) every owner of five percent (5%) or more (or such lower percentage as required by the Code or the Treasury Regulations promulgated thereunder) in number or value of the outstanding shares of Capital Stock, within thirty (30) days after the end of each taxable year, shall give written notice to the Corporation stating (i) the name and address of such owner, (ii) the number of shares of Capital Stock Beneficially Owned and (iii) a description of the manner in which such shares are held. Each such owner shall provide to the Corporation such additional information as the Corporation may request in order to determine the effect, if any, of such Beneficial Ownership on the Corporation's status as a REIT and to ensure compliance with the Aggregate Stock Ownership Limit and the Common Stock Ownership Limit; and

(b) each Person who is a Beneficial Owner or Constructive Owner of Capital Stock and each Person (including the stockholder of record) who is holding Capital Stock for a Beneficial Owner or Constructive Owner shall provide to the Corporation such information as the Corporation may request, in order to determine the Corporation's status as a REIT and to comply with requirements of any taxing authority or governmental authority or to determine such compliance and to ensure compliance with the Aggregate Stock Ownership Limit and the Common Stock Ownership Limit.

Section 7.2.5 Remedies Not Limited. Subject to Section 5.7 of the Charter, nothing contained in this Section 7.2 shall limit the authority of the Board of Directors to take such other action as it deems necessary or advisable to protect the Corporation in preserving the Corporation's status as a REIT.

Section 7.2.6 Ambiguity. In the case of an ambiguity in the application of any of the provisions of this Section 7.2, Section 7.3 or any definition contained in Section 7.1, the Board of Directors may determine the application of the provisions of this Section 7.2 or Section 7.3 or any such definition with respect to any situation based on the facts known to it at such time. In the event Section 7.2 or 7.3 requires an action by the Board of Directors and the Charter fails to provide specific guidance with respect to such action, the Board of Directors may determine the action to be taken so long as such action is not contrary to the provisions of Sections 7.1, 7.2 or 7.3. Absent a decision to the contrary by the Board of Directors, if a Person would have (but for the remedies set forth in Section 7.2.2) acquired Beneficial Ownership or Constructive Ownership of Capital Stock in violation of Section 7.2.1, such remedies (as applicable) shall apply first to the shares of Capital Stock that, but for the remedies, would have actually been owned by such Person, and second to the shares of Capital Stock that, but for such remedies, would have been Beneficially Owned or Constructively Owned (but not actually owned) by such Person, pro rata among the Persons who actually own such shares of Capital Stock based upon the relative number of the shares of Capital Stock held by each such Person.

Section 7.2.7 Exceptions.

(a) The Board of Directors, in its sole discretion, may exempt, prospectively or retroactively, a Person from the Common Stock Ownership Limit or the Aggregate Stock Ownership Limit, as the case may be, and may establish or increase an Excepted Holder Limit for such Person if: (i) such Person submits to the Board of Directors information requested by the Board of Directors, demonstrating that such Person is not an individual for purposes of Section 542(a)(2) of the Code (determined taking into account Section 856(h)(3)(A) of the Code); (ii) such Person submits to the Board of Directors information requested by the Board of Directors, demonstrating that no Person who is an individual for purposes of Section 542(a)(2) of the Code (determined taking into account Section 856(h)(3)(A) of the Code) would be considered to Beneficially Own shares of Common Stock in excess of the Common Stock Ownership Limit or Capital Stock in excess of the Aggregate Stock Ownership Limit; (iii) such Person submits to the Board of Directors information requested by the Board of Directors, demonstrating that clauses (1), (2) and (3) of subparagraph (a)(ii) of Section 7.2.1 will not be violated by reason of such Person's ownership of Common Stock in excess of the Common Stock Ownership Limit or Capital Stock in excess of the Aggregate Stock Ownership Limit pursuant to the exemption granted under this subparagraph 7.2.7(a); and (iv) such Person provides to the Board of Directors such representations and undertakings, if any, as the Board of Directors may require to ensure that the conditions in clauses (i), (ii) and (iii) hereof are satisfied and will continue to be satisfied throughout the period during which such Person owns Common Stock in excess of the Common Stock Ownership Limit or Capital Stock in excess of the Aggregate Stock Ownership Limit pursuant to any exemption thereto granted under this subparagraph (a), and such Person agrees that any violation of such representations and undertakings or any attempted violation thereof will result in the application of the remedies set forth in Section 7.2 (including, without limitation, Section 7.2.5) with respect to shares of Common Stock held in excess of the Common Stock Ownership Limit or Capital Stock held in excess of the Aggregate Stock Ownership Limit with respect to such Person (determined without regard to the exemption granted such Person under this subparagraph (a)).

(b) Prior to granting any exception pursuant to Section 7.2.7(a), the Board of Directors may require a ruling from the Internal Revenue Service or an opinion of counsel, in either case in form and substance satisfactory to the Board of Directors, as it may deem necessary or advisable in order to determine that granting the exception will not cause the Corporation to lose its status as a REIT; provided, however, that the Board of Directors

shall not be obligated to require obtaining a favorable ruling or opinion in order to grant an exception hereunder. Notwithstanding the receipt of any ruling or opinion, the Board of Directors may impose such conditions and restrictions as it deems appropriate in connection with granting each exception.

(c) Subject to Section 7.2.1(a)(ii), an underwriter, placement agent or initial purchaser that participates in a public offering, a private placement or other private offering of Capital Stock (or securities convertible into or exchangeable for Capital Stock) may Beneficially Own or Constructively Own shares of Capital Stock (or securities convertible into or exchangeable for Capital Stock) in excess of the Aggregate Stock Ownership Limit or the Common Stock Ownership Limit, but only to the extent necessary to facilitate such public offering, private placement or immediate resale of such Capital Stock, and provided that the restrictions contained in Section 7.2.1(a) will not be violated following the distribution by such underwriter, placement agent or initial purchaser of such shares of Capital Stock.

(d) In connection with granting any exemption or waiver pursuant to Section 7.2.7(a), the Board of Directors may include such terms and conditions in such waiver as it determines are advisable.

(e) The Board of Directors may only reduce the Excepted Holder Limit for an Excepted Holder: (1) with the written consent of such Excepted Holder at any time, or (2) pursuant to the terms and conditions of the agreements and undertakings entered into with such Excepted Holder in connection with the establishment of the Excepted Holder Limit for that Excepted Holder. No Excepted Holder Limit shall be reduced to a percentage that is less than the then-current Common Stock Ownership Limit.

Section 7.2.8 Increase or Decrease in Common Stock Ownership or Aggregate Stock Ownership Limits. Subject to Section 7.2.1(a)(ii) and this Section 7.2.8, the Board of Directors may from time to time increase or decrease the Common Stock Ownership Limit and the Aggregate Stock Ownership Limit for one or more Persons and increase or decrease the Common Stock Ownership Limit and the Aggregate Stock Ownership Limit for all other Persons. No decreased Common Stock Ownership Limit or Aggregate Stock Ownership Limit will be effective for any Person whose percentage of ownership of Capital Stock is in excess of such decreased Common Stock Ownership Limit or Aggregate Stock Ownership Limit, as applicable, until such time as such Person's percentage of ownership of Capital Stock equals or falls below the decreased Common Stock Ownership Limit or Aggregate Stock Ownership Limit, as applicable; provided, however, that any further acquisition of Capital Stock by any such Person (other than a Person for whom an exemption has been granted pursuant to Section 7.2.7(a) or an Excepted Holder) in excess of the Capital Stock owned by such Person on the date the decreased Common Stock Ownership Limit or Aggregate Stock Ownership Limit, as applicable, became effective will be in violation of the Common Stock Ownership Limit or Aggregate Stock Ownership Limit. No increase to the Common Stock Ownership Limit or Aggregate Stock Ownership Limit may be approved if the new Common Stock Ownership Limit and/or Aggregate Stock Ownership Limit would allow five (5) or fewer Persons to Beneficially Own, in the aggregate more than forty-nine and nine-tenths percent (49.9%) in value of the outstanding Capital Stock or would otherwise cause the Corporation to fail to qualify as a REIT.

Section 7.2.9 Legend. Each certificate for shares of Capital Stock, if certificated, shall bear substantially the following legend:

The shares represented by this certificate are subject to restrictions on Beneficial Ownership and Constructive Ownership and Transfer for the purpose, among others, of the Corporation's maintenance of its status as a Real Estate Investment Trust under the Code. Subject to certain further restrictions and except as expressly provided in the Corporation's Charter, (i) no Person may Beneficially Own or Constructively Own shares of the Corporation's Common Stock in excess of the Common Stock Ownership Limit unless such Person is an Excepted Holder (in which case the Excepted Holder Limit shall be applicable); (ii) no Person may Beneficially Own or Constructively Own shares of Capital Stock of the Corporation in excess of the Aggregate Stock Ownership Limit, unless such Person is an Excepted Holder (in which case the Excepted Holder Limit shall be applicable); (iii) no Person may Beneficially Own or Constructively Own Capital Stock that would result in the Corporation being "closely held" under Section 856(h) of the Code or otherwise cause

the Corporation to fail to qualify as a REIT; and (iv) no Person may Transfer shares of Capital Stock if such Transfer would result in the Capital Stock of the Corporation being owned by fewer than 100 Persons. Any Person who Beneficially Owns or Constructively Owns or attempts to Beneficially Own or Constructively Own shares of Capital Stock that causes or will cause a Person to Beneficially Own or Constructively Own shares of Capital Stock in excess or in violation of the above limitations must immediately notify the Corporation. If any of the restrictions on transfer or ownership provided in (i), (ii) or (iii) above are violated, the shares of Capital Stock in excess or in violation of the above limitations will be automatically transferred to a Trustee of a Trust for the benefit of one or more Charitable Beneficiaries. In addition, the Corporation may redeem shares upon the terms and conditions specified by the Board of Directors in its sole and absolute discretion if the Board of Directors determines that ownership or a Transfer or other event may violate the restrictions described above. Furthermore, if the ownership restrictions provided in (iv) above would be violated or upon the occurrence of certain events, attempted Transfers in violation of the restrictions described above may be void ab initio. All capitalized terms in this legend have the meanings defined in the Charter of the Corporation, as the same may be amended from time to time, a copy of which, including the restrictions on transfer and ownership, will be furnished to each holder of Capital Stock of the Corporation on request and without charge. Requests for such a copy may be directed to the Secretary of the Corporation at its principal office.

Instead of the foregoing legend, the certificate may state that the Corporation will furnish a full statement about certain restrictions on ownership and transfer to a stockholder on request and without charge.

### Section 7.3 Transfer of Capital Stock in Trust.

Section 7.3.1 Ownership in Trust. Upon any purported Transfer or other event described in Section 7.2.1(b) that would result in a transfer of shares of Capital Stock to a Trust, such shares of Capital Stock shall be deemed to have been transferred to the Trustee as trustee of a Trust for the exclusive benefit of one or more Charitable Beneficiaries. Such transfer to the Trustee shall be deemed to be effective as of the close of business on the Business Day prior to the purported Transfer or other event that results in the transfer to the Trust pursuant to Section 7.2.1(b). The Trustee shall be appointed by the Corporation and shall be a Person unaffiliated with the Corporation and any Prohibited Owner. Each Charitable Beneficiary shall be designated by the Corporation as provided in Section 7.3.6.

Section 7.3.2 Status of Shares Held by the Trustee. Shares of Capital Stock held by the Trustee shall continue to be issued and outstanding shares of Capital Stock of the Corporation. The Prohibited Owner shall have no rights in the shares held by the Trustee. The Prohibited Owner shall not benefit economically from ownership of any shares held in trust by the Trustee, shall have no rights to dividends or other distributions and shall not possess any rights to vote or other rights attributable to the shares held in the Trust. The Prohibited Owner shall have no claim, cause of action or any other recourse whatsoever against the purported transferor of such Capital Stock of the Corporation.

Section 7.3.3 Dividend and Voting Rights. The Trustee shall have all voting rights and rights to dividends or other distributions with respect to shares of Capital Stock held in the Trust, which rights shall be exercised for the exclusive benefit of the Charitable Beneficiary. Any dividend or other distribution paid to a Prohibited Owner prior to the discovery by the Corporation that the shares of Capital Stock have been transferred to the Trustee shall be paid by the Prohibited Owner to the Trustee upon demand and any dividend or other distribution authorized but unpaid shall be paid when due to the Trustee. Any dividend or other distribution so paid to the Trustee shall be held in trust for the Charitable Beneficiary. The Prohibited Owner shall have no voting rights with respect to shares of Capital Stock held in the Trust and, subject to Maryland law, effective as of the date that the shares of Capital Stock have been transferred to the Trustee, the Trustee shall have the authority (at the Trustee's sole and absolute discretion) (i) to rescind as void any vote cast by a Prohibited Owner prior to the discovery by the Corporation that the shares of Capital Stock have been transferred to the Trustee and (ii) to recast such vote; provided, however, that if the Corporation has already taken irreversible corporate action, then the Trustee shall not have the authority to rescind and recast such vote. Notwithstanding the provisions of this Article VII, until the Corporation has received notification

that shares of Capital Stock have been transferred into a Trust, the Corporation shall be entitled to rely on its stock transfer and other stockholder records for purposes of preparing lists of stockholders entitled to vote at meetings, determining the validity and authority of proxies and otherwise conducting votes and determining the other rights of stockholders.

Section 7.3.4 Sale of Shares by Trustee. Within twenty (20) days of receiving notice from the Corporation that shares of Capital Stock have been transferred to the Trust, the Trustee of the Trust shall sell the shares held in the Trust to a person, designated by the Trustee, whose ownership of the shares will not violate the ownership limitations set forth in Section 7.2.1(a). Upon such sale, the interest of the Charitable Beneficiary in the shares sold shall terminate and the Trustee shall distribute the net proceeds of the sale to the Prohibited Owner and to the Charitable Beneficiary as provided in this Section 7.3.4. The Prohibited Owner shall receive the lesser of (i) the price paid by the Prohibited Owner for the shares or, if the Prohibited Owner did not give value for the shares in connection with the event causing the shares to be held in the Trust (*e.g.*, in the case of a gift, devise or other such transaction), the Market Price of the shares on the day of the event causing the shares to be held in the Trust and (ii) the price per share received by the Trustee (net of any commissions and other expenses of sale) from the sale or other disposition of the shares held in the Trust. The Trustee may reduce the amount payable to the Prohibited Owner by the amount of dividends and other distributions that have been paid to the Prohibited Owner and are owed by the Prohibited Owner to the Trustee pursuant to Section 7.3.3 of this Article VII. Any net sales proceeds in excess of the amount payable to the Prohibited Owner shall be immediately paid to the Charitable Beneficiary. If, prior to the discovery by the Corporation that shares of Capital Stock have been transferred to the Trustee, such shares are sold by a Prohibited Owner, then (i) such shares shall be deemed to have been sold on behalf of the Trust and (ii) to the extent that the Prohibited Owner received an amount for such shares that exceeds the amount that such Prohibited Owner was entitled to receive pursuant to this Section 7.3.4, such excess shall be paid to the Trustee upon demand.

Section 7.3.5 Purchase Right in Stock Transferred to the Trustee. Shares of Capital Stock transferred to the Trustee shall be deemed to have been offered for sale to the Corporation, or its designee, at a price per share equal to the lesser of (i) the price per share in the transaction that resulted in such transfer to the Trust (or, in the case of a devise or gift, the Market Price at the time of such devise or gift) and (ii) the Market Price on the date the Corporation, or its designee, accepts such offer. The Corporation may reduce the amount payable to the Prohibited Owner by the amount of dividends and other distributions that have been paid to the Prohibited Owner and are owed by the Prohibited Owner to the Trustee pursuant to Section 7.3.3 of this Article VII. The Corporation may pay the amount of such reduction to the Trustee for the benefit of the Charitable Beneficiary. The Corporation shall have the right to accept such offer until the Trustee has sold the shares held in the Trust pursuant to Section 7.3.4. Upon such a sale to the Corporation, the interest of the Charitable Beneficiary in the shares sold shall terminate and the Trustee shall distribute the net proceeds of the sale to the Prohibited Owner and any dividends or other distributions with respect to the shares sold that are held by the Trustee shall be paid to the Charitable Beneficiary.

Section 7.3.6 Designation of Charitable Beneficiaries. By written notice to the Trustee, the Corporation shall designate one or more nonprofit organizations to be the Charitable Beneficiary or Charitable Beneficiaries of the interest in the Trust such that (i) the shares of Capital Stock held in the Trust would not violate the restrictions set forth in Section 7.2.1(a) in the hands of such Charitable Beneficiary or Charitable Beneficiaries and (ii) each such organization must be described in Section 501(c)(3) of the Code and contributions to each such organization must be eligible for deduction under each of Sections 170(b)(1)(A), 2055 and 2522 of the Code. Neither the failure of the Corporation to make such designation nor the failure of the Corporation to appoint the Trustee before the automatic transfer provided in Section 7.2.1(b) shall make such transfer ineffective; provided, that the Corporation thereafter makes such designation and appointment.

Section 7.3.7 Rights Upon Liquidation. Upon any voluntary or involuntary liquidation, dissolution or winding up of or any distribution of the assets of the Corporation, the Trustee shall be entitled to receive, ratably with each other holder of shares of the class or series of Capital Stock that is held in the Trust, that portion of the assets of the Corporation available for distribution to the holders of such class or series (determined based upon the ratio that the number of shares of such class or series of Capital Stock held by the Trustee bears to the total number of shares of such class or series of Capital Stock then outstanding). The Trustee shall distribute any such assets received

in respect of the shares held in the Trust in any liquidation, dissolution or winding up of, or distribution of the assets of the Corporation, in accordance with Section 7.3.4.

Section 7.4 Stock Exchange Transactions. Nothing in this Article VII shall preclude the settlement of any transaction entered into through the facilities of the Stock Exchange or any other national securities exchange or automated inter-dealer quotation system. The fact that the settlement of any transaction occurs shall not negate the effect of any other provision of this Article VII and any transferee in such a transaction shall be subject to all of the provisions and limitations set forth in this Article VII.

Section 7.5 Enforcement. The Corporation is authorized specifically to seek equitable relief, including injunctive relief, to enforce the provisions of this Article VII.

Section 7.6 Non-Waiver. No delay or failure on the part of the Corporation or the Board of Directors in exercising any right hereunder shall operate as a waiver of any right of the Corporation or the Board of Directors, as the case may be, except to the extent specifically waived in writing.

## **ARTICLE VIII**

### **AMENDMENTS**

The Corporation reserves the right from time to time to make any amendment to the Charter, now or hereafter authorized by law, including any amendment altering the terms or contract rights, as expressly set forth in the Charter, of any shares of outstanding stock. All rights and powers conferred by the Charter on stockholders, directors and officers are granted subject to this reservation. Except as otherwise provided below, and except for those amendments permitted to be made without stockholder approval under Maryland law or by a specific provision in the Charter, any amendment to the Charter shall be valid only if declared advisable by the Board of Directors and approved by the affirmative vote of holders of shares entitled to cast a majority of all the votes entitled to be cast on the matter.
